Staff provides safe environments for recreation, designs programs and services specifically to improve quality of life. Through programmed and self-facilitated recreation, a variety of benefits to individuals are achieved. Recreational experiences also are important for personal enjoyment and development.

- 6. Improve and expand leisure classes and programs.

PERFORMANCE MEASUREMENTS/ INDICATORS

Staff will continue to provide family fun activities, which include Movies in The Park, Applegate Zoo events, Block Party Trailer, and other events/activities at the pools and parks.

Provide virtual programming options, online registrations and increase marketing to allow greater accessibility to participants.

Offer virtual classes and programs, create Tiny Tots interactive play time, and utilize the Rossotti Center for expanded programming. Hold more special events at the zoo and shift grounds duties from zookeepers to parttime staff, providing time for them to focus on animal health and enrichment, implementing programs, and researching the accreditation process.

Upgrade McNamara Pool, field lights, including soccer fields and skate park lights, and improve grass sports fields. Rehabilitate Ada Givens Pool and repair the Stephen Leonard Park splash pad. YSO's serve approximately 3,000 youth, City sports and aquatics programs serve almost 2,700 youth.

Expand outreach services to youth in all capacities. Plan and implement teen recreational programming events utilizing Measure Y funds. Hold community forums, and conduct surveys to determine youth needs, issues, and interests.

Increase partnerships and work with volunteer instructors to offer senior and health programming and outdoor leisure classes. Beautify and upgrade facilities to accommodate additional classes.

All in-lieu fees collected are deposited into this fund and may only be used for the purpose of acquiring necessary land and developing new or rehabilitating existing park or recreational facilities reasonably related to serving the subdivision.

The Development Services Department has completed an update to the Open Space Master Plan. This Plan is a significant tool in making decisions regarding when and where facilities are constructed.
