2005-2006 BUDGET HIGHLIGHTS

Rates for street sweeping services were increased effective January 1, 2002. The rate approval included an automatic rate adjustment, based on CPI factors, each January 1, beginning in 2003, and concluding in 2006. Based on increases in the CPI, an adjustment to the sweeping portion of the refuse rate was made in January 2005. A rate study will be undertaken in 2006, to determine appropriate rates to be charged beginning January 1, 2007, for all refuse fund services, including street sweeping.
