ADDENDUM NO: 1

SOLICITATION NO: **09142023**

SOLICITATION NAME: **Body Armor**

DATE: **9/12/2023**

The additions, omissions, clarifications, and corrections herein shall be made to the bid and shall be included in the bid submittal if necessary. The remainder of the documents remain unchanged.

**Q&A:**

- Q/A** It is unclear if the RFQ is for the ballistic panels only or for the ballistic panels and its carriers since no carrier's design is described/[Ballistic Panels with carrier to be worn under uniform \(Regular soft panel Bullet Proof Vest Concealable\)](#)
- Q/A** Please clarify this and if the carriers are included in this RFQ, describe the desired carrier/[\(Regular Bullet Proof Vest, Concealable\) The retailer will offer whatever they distribute that meets the specs.](#)
- Q/A** The specs also say that the ballistic panels should be removable and able to be used in outer carriers. Are these outer carriers part of the current City's inventory? If so, please provide information about the manufacturer, model, and a picture of the carriers to ensure the ballistic panels provided fit in them/[These are Point Blank Carriers \(Uniform style\)](#)
- Q/A** Can you clarify if hard armor panels are needed in-conjunction with your soft armor panels/ [Panels is what is needed.](#)
