

Dear Members of the Planning Commission,

My name is Michael Chen, owner of I Love Spa in Merced. I am writing in support of Conditional Use Permit CUP25-0004 for our proposed new location at 2975 G Street.

Due to family obligations, I regret that I cannot attend the June 4 hearing in person. I respectfully ask that this letter be read into the record on my behalf.

I Love Spa has proudly served the Merced community from our current location on Yosemite Avenue, providing professional, licensed massage services in full compliance with local and state regulations. We are committed to continuing this same standard of care at the new location.

We understand the responsibility of operating within the community and will fully comply with City requirements, including CAMTC-certified staff and adherence to all health and safety standards.

We believe this expansion will be a positive addition to the neighborhood and the City of Merced.

Thank you for your time and consideration. Please feel free to reach out if additional information is needed.

Sincerely,
Michael Chen
Owner, I Love Spa
