Training Notice

The Merced Fire department will be conducting live fire wild land training excercises June 23rd through the 27th at the City of Merced Wastewater Treatment Plant. These training evolutions help our crews stay prepared and will focus on building control lines using prescribed fire and other fuel reduction techniques commonly used in wildfire responses. If you see smoke in the area, don't be alarmed - it's all part of the training. Thank you for your support as we continue to train for wildfire season.

The City of Merced Fire Department worked with the Parks and Community Services department to ensure staff are certified to respond in emergencies!

The Merced Police Department is proud to recognize Officers Chavez and Lopez for receiving the prestigious Mothers Against Drunk Driving (MADD) Award. This distinguished honor is presented to law enforcement officers who demonstrate exceptional commitment to combating impaired driving and enhancing roadway safety.

These officers have gone above and beyond in their dedication to DUI enforcement, holding offenders accountable and working tirelessly to prevent impaired driving incidents that can lead to serious injury or loss of life. Their proactive efforts play a critical role in protecting our community and promoting public awareness about the dangers of driving under the influence.

We commend Officers Chavez and Lopez for their professionalism, vigilance, and unwavering commitment to public safety. Their contributions have made a meaningful impact, and we are grateful for their continued service to the City of Merced.

Movies in the Park

Parks and Community Services hosted Movies in the Park at Applegate Park! It was a great turnout that showcased the importance of getting outside and enjoying our local parks!

The next Movie in the Park will be June 27th at Nannini Sports Complex for a showing of Sonic!
