During our diagnosis there is a faulty wire some where between the Panel to the A/C. So instead of causing trouble to the client during our trouble shooting in finding the faulty wire, we connected the panel and A/C externally via the conduit piping. All wiring is properly secured and sealed. We didn't add any panel or make any changes. Just added the line externally to the existing connections. Replace main electrical panel   | Electrical                | 0 | \$400.00    | Applicant     | Srinivasa | Myneni      | Courtyard Properties 99 LLC         |
