

**CITY OF MERCED
GENERAL PLAN UPDATE
STAKEHOLDERS MEETING – September 6, 2007**

The City of Merced is updating the General Plan. It is important to have input from property owners and other citizens during the update process. It would be helpful if you would review the questions below, and respond. The questions regard the Draft General Plan map, as well as your plans and desires for your property, so please be as detailed as you can.

1. Please write down any comments you have on the Draft Land Use map (Use the back of this page if you need more room).

2. Where is your property located (address, parcel numbers, or street location)?

3. What uses do you foresee for your property?

4. Are you aware of any significant issues, such as roads and traffic, water or sewer service, etc., that you see as needing to be addressed in the General Plan?
