The University of California has a legacy of responding to the state's needs to educate its young people

UC Irvine, 1965

UC San Diego, 1960

UC Santa Cruz, 1965

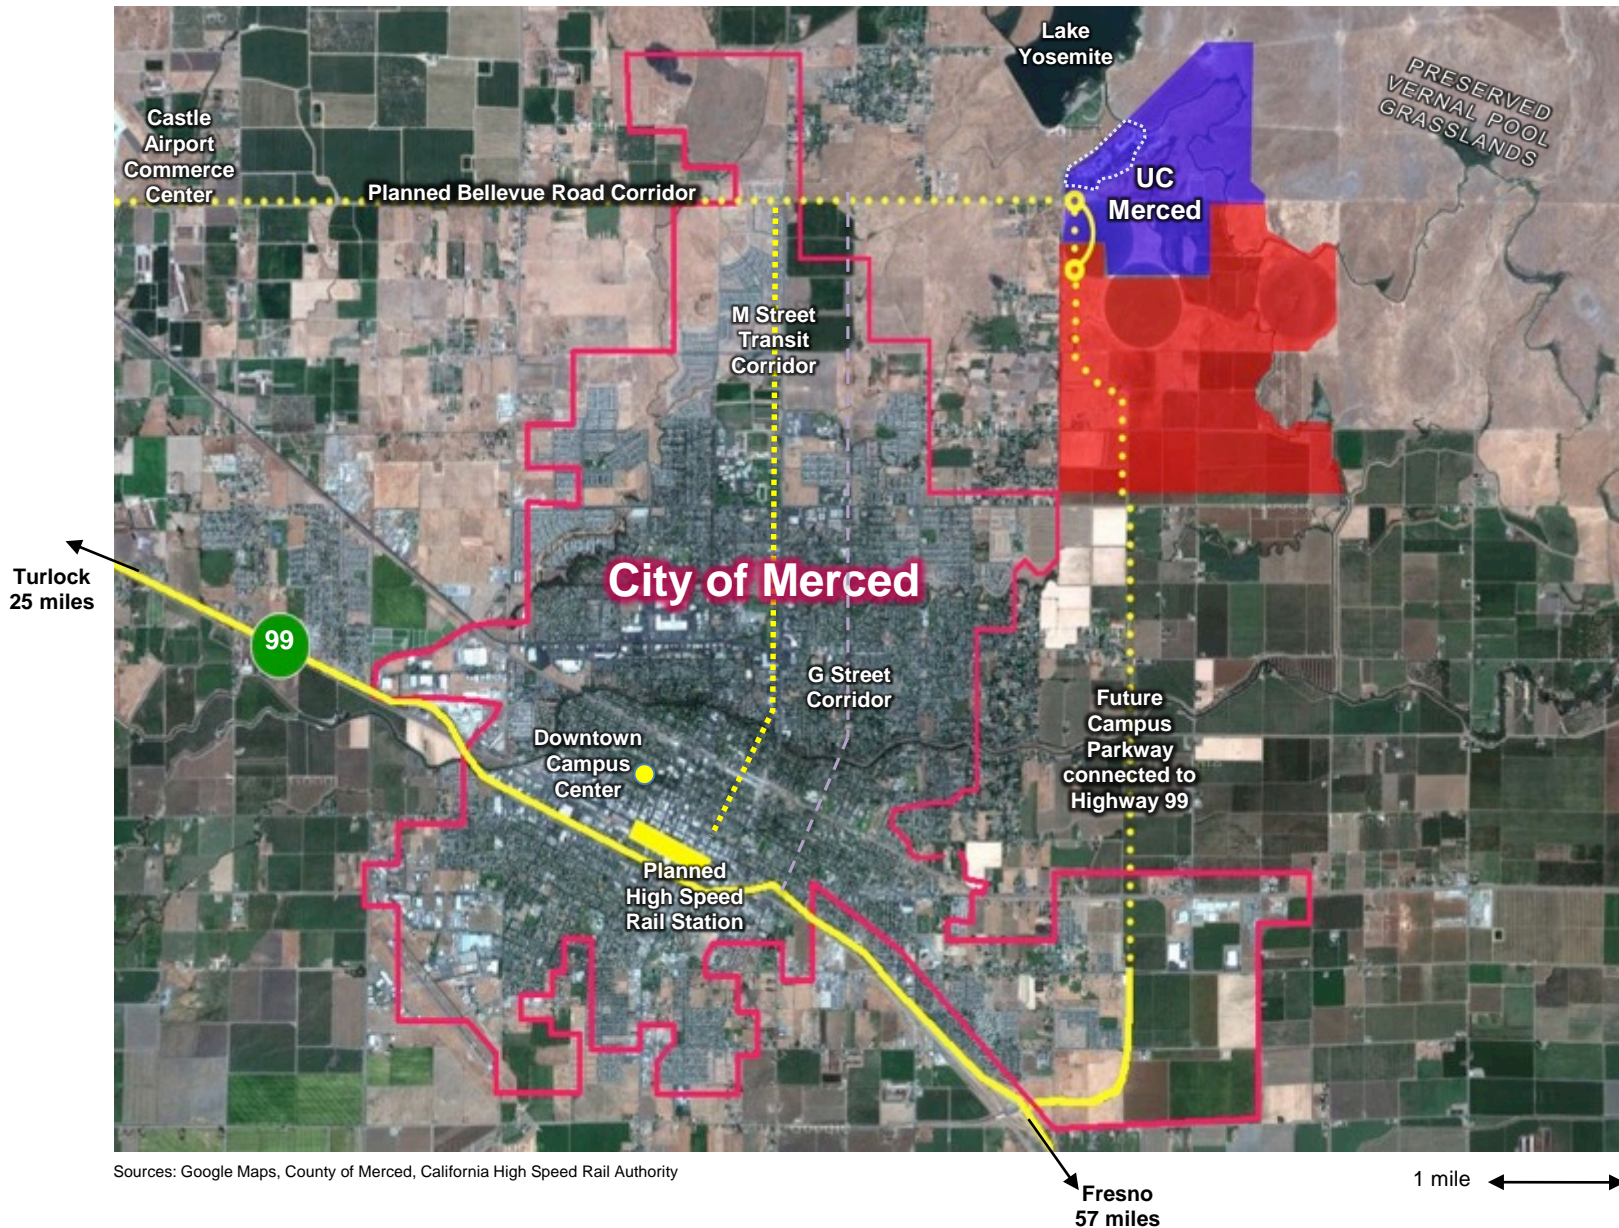

UC built three new campuses to respond to California's post-World War II baby boom

UC Merced is located in California's rapidly growing San Joaquin Valley

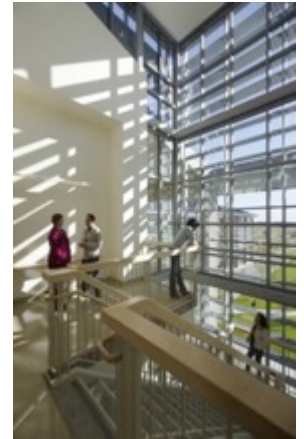

The snowcapped Sierra Nevada overlook construction of UC Merced's first phase

The campus is located just outside the city limits of Merced

UC Merced has grown since opening in 2005

32 buildings totaling 1.4 million square feet of teaching, research and student life facilities

- Virtually every building is certified LEED Gold or Platinum
- 'Triple zero' energy, emissions and waste commitment

UC Merced has grown to 7,900 students

It is on track for 10,000 students by 2020

72% are among the first in their families to attend a four-year university

55% majoring in science, technology engineering and math

99% of undergraduates are Californian

- **7,375 Undergraduates (Fall 2017)**
 - *28% from San Joaquin Valley*
 - *25% from Los Angeles County*
 - *22% from the Bay Area*
- **592 Graduate Students (Fall 2017)**

More than
1,000 staff and faculty

UC Merced's locations within the region

Campus
5200 N. Lake Road

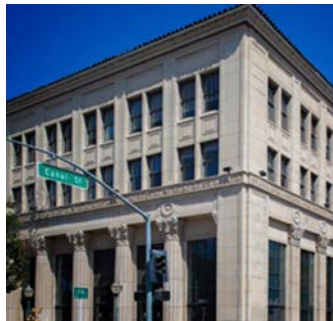

Castle Commerce Center
(Atwater)

Downtown Campus Center
Corner of W. 18th and N St.

Promenade
(North Merced)

Mondo Building
(Downtown)

Venture Lab
(Downtown)

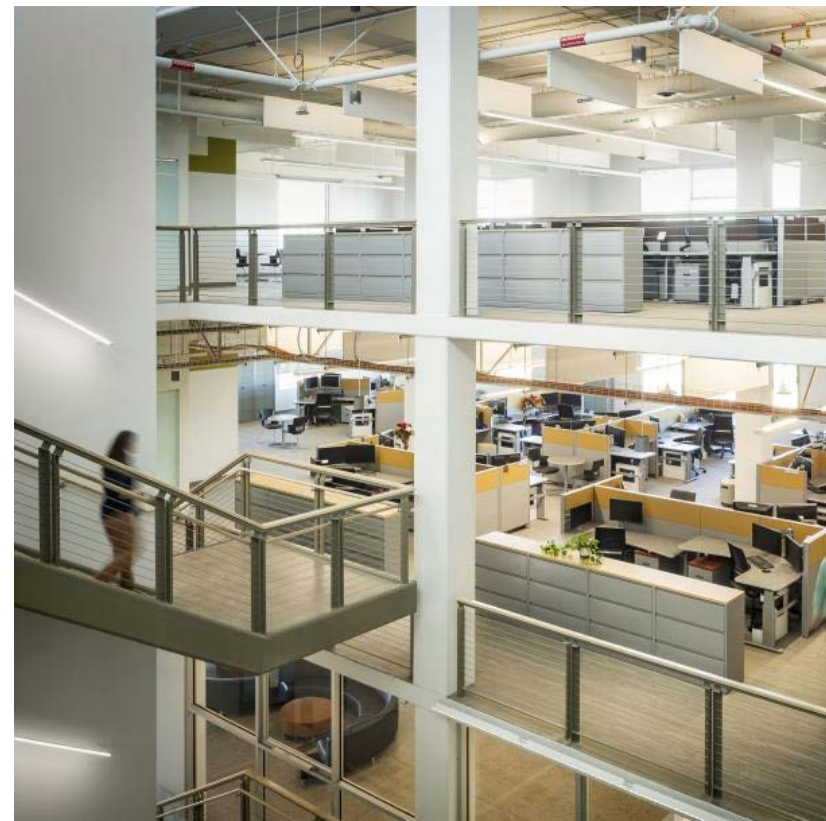

Fresno Center
(Fresno, CA)

Wawona
(Yosemite)

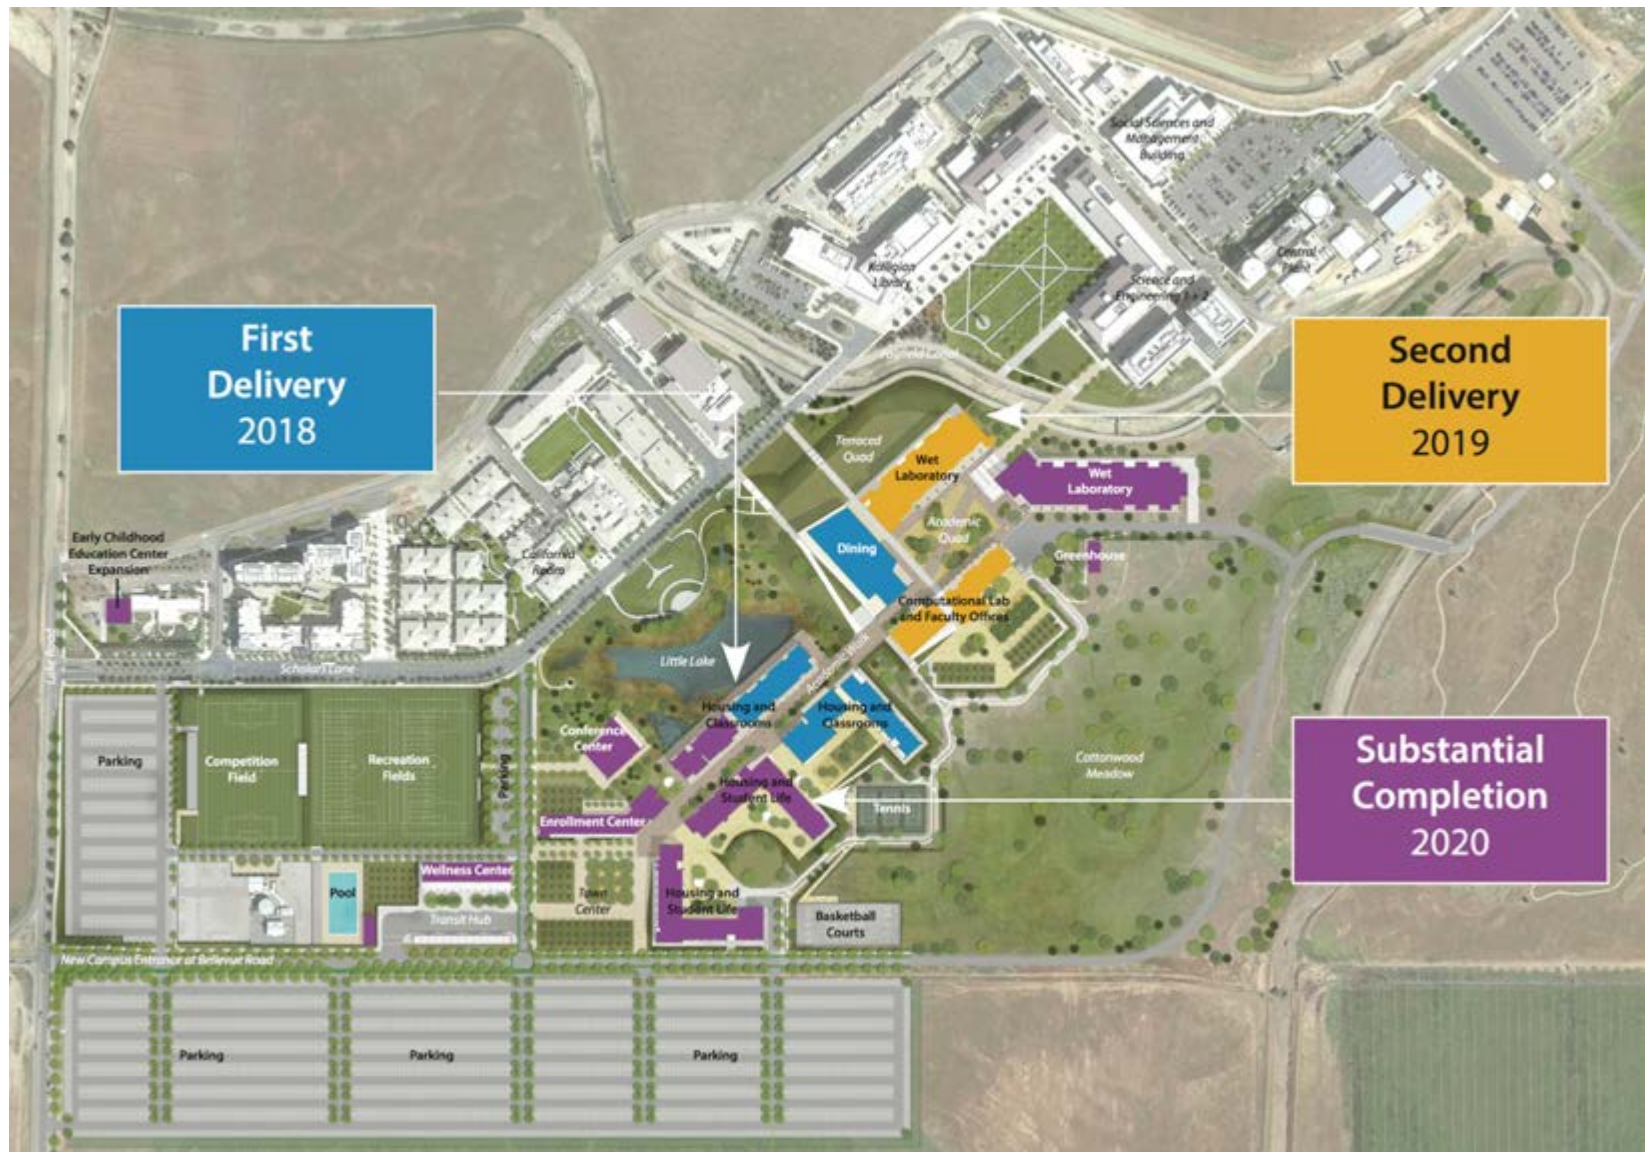

The campus is doubling in size in the space of four years
Largest higher education expansion of its kind in North America

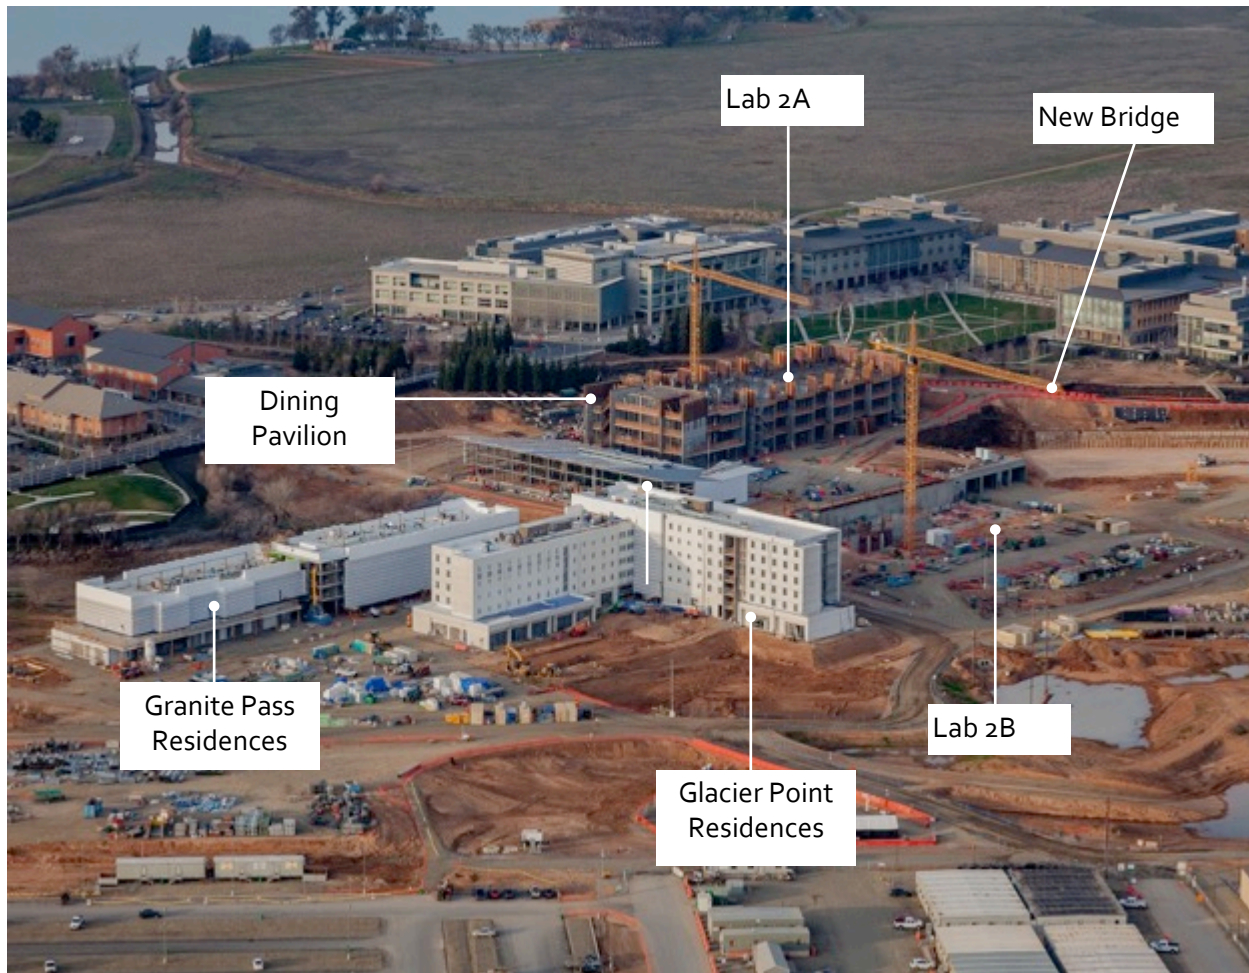

February 2018 Aerial View

Merced 2020 is a \$1.3 billion design and construction project

13 buildings are under simultaneous design and construction

Up to 600 construction workers are on site each day

\$1.9 billion of regional economic impact in the San Joaquin Valley.

February 2018

Modern, sustainable research laboratories will enable the campus to hire up to 140 new faculty in the near term

Student housing for up to 50% of the campus population

Expanded student life amenities, conference center and athletics facilities

**A compact, academically oriented environment
for 10,000 students and 1,500 faculty and staff**
